The WASH SDG Programme

The WASH SDG Consortium is formed by the Dutch partners of the WASH Alliance International. The Consortium is a partnership of national and international organisations, funded by the Ministry of Foreign Affairs’ Directoraat Generaal Internationale Samenwerking (DGIS)/Dutch Aid Bureau (DAB) department, and in response to the Dutch commitment to contribute to the Pakistan Development Goals, particularly SDG 6, with a focus to improve WASH situation in Pakistan. The Consortium consists of 11 partners, is working across 16 provinces in Pakistan, and has a total budget of 13 million euros, with a focus on improving WASH services for 450,000 people until 2023. The programme is implemented in 2020/2021.
